

ENVIRONMENTAL POLICY, LAW, AND REGULATION CERTIFICATE

This certificate prepares students with existing background in natural resources to work in legal and regulatory aspects of land management, including supporting the pursuit of a law degree. It prepares students for work in government agencies responsible for protecting environmental resources, in the private sector addressing issues of compliance, or similar.

Department Information

The School of Forest, Fisheries, and Geomatics Sciences is a unit within the Institute of Food and Agricultural Sciences (IFAS) and the College of Agricultural and Life Sciences (CALS). The school is home to three distinct yet integrated program areas: Fisheries and Aquatic Sciences (<http://sfrc.ufl.edu/fish/>), Forest Resources and Conservation (<http://sfrc.ufl.edu/forest/>), and Geomatics (<http://sfrc.ufl.edu/geomatics/>). The school's faculty, staff, and students conduct research, teaching, and extension that cuts across a wide range of environments and disciplines.
