## Curriculum

- Combination Degrees
- Hispanic and Latin American Languages, Literatures and Linguistics
- Portuguese
- Portuguese Minor
- Spanish
- Spanish and Portuguese
- Spanish for the Professions Certificate
- Spanish Minor

The Hispanic and Latin American Languages, Literatures and Linguistics major offers the opportunity to gain proficiency in Spanish and/or Portuguese, two of the most important languages spoken in the United States, the Western Hemisphere and the world. The department offers courses of study in language, culture, linguistics, and literature, as well as a series of courses in languages for the professions, which focus on medical, legal, business and other professional contexts.

By studying the literary and linguistic heritage of Spanish and Portuguese, students gain critical reading and writing skills that help them acquire and refine their abilities to speak, understand, read and write one of both of these languages.

The Spanish specialization focuses on the language and culture of Spain and Spanish-America, while the Portuguese specialization stresses the language and culture of Brazil, with complementary study of Portugal and Lusophone Africa. The combined specialization recognizes the increasingly prominent roles that Brazil, Spain and Latin America all play in international affairs, especially as they relate to Florida. Spanish- and Portuguese-speakers constitute the fastest growing immigrant populations in Florida. Studying both languages and cultures provide a competitive edge for those seeking careers in business, industry, tourism, health care, agricultural affairs, government, and education.

College of Liberal Arts and Sciences allows students additional flexibility in its Distribution Requirements. Students may count a maximum of 6 credits TOTAL from the CLAS Distribution course lists towards Humanities, Social and Behavioral Sciences, or Biological and Physical Sciences, with no more than 3 credits of Humanities, 3 credits of Social and Behavioral Sciences, or 6 credits of Biological or Physical Sciences.

The full list of major-specific requirements for this major can be found on the Overview tab. College of Liberal Arts and Sciences degree requirements can be found on the College's degree requirements page. (<https://catalog.ufl.edu/UGRD/colleges-schools/UGLAS/#degreerequirementstext>)

To remain on track, students must complete the appropriate critical-tracking courses, which appear in bold. These courses must be completed by the terms as listed above in the Critical Tracking criteria.
