

# HEALTH PROFESSIONS MINOR

The Health Professions minor provides foundational knowledge and skills in the changing healthcare delivery system. This minor provides complementary courses for pre-clinical students who wish to complete graduate or professional programs for careers in medicine, physician assistant studies, dentistry, pharmacy, and other health professions.

## About this Program

- **College:** Public Health and Health Professions (<http://catalog.ufl.edu/UGRD/colleges-schools/UGPBH/>)
- **Credits:** 15 | Completed with minimum grades of C and no S/U

## Department Information

The Bachelor of Health Science (BHS) program is for students whose career goal is to work in the health professions providing service to individuals and communities. BHS students are typically pursuing health related professions such as medicine, physician assistant, physical therapy, occupational therapy, audiology, speech-language pathology, dentistry, epidemiology, or public health.

## Curriculum

- [/UGRD/colleges-schools/UGPBH/DSC\\_UMN/](#)
- [/UGRD/colleges-schools/UGPBH/HES\\_UMN/](#)
- Applied Brain Science Minor
- Health Professions Minor
- Health Science

The minor is open to all students who meet the prerequisites listed below, except for Health Science majors in the Preprofessional specialization. Health Science majors in the Pre-Rehabilitation specialization can substitute BSC 2005 for the BSC 2010 prerequisite requirement.

## Prerequisites

*Completion of prerequisite courses does not guarantee admission to the minor.*

- Junior status or higher (60+ credits)
- A 3.0 overall UF GPA and a 3.0 prerequisite GPA based on:
  - PSY 2012
  - BSC 2010
  - APK 2105C
  - STA 2023

Students will only be considered for the minor if all prerequisites are complete prior to applying.
